INSPECTOR BURKETT HOME.

Returns to School Duties After a Two Months' Vacation.

Mr. and Mrs. J. K. Burkett of Koloa, Kauai, who have been visiting on the mainland for two months past, returned on the Zealandia. Mr. Burkett, who was for twenty-four years principal of the school at Koloa, is now one of the school inspectors for the territory, having the islands of Kauai and Oahu under his supervision. Mr. and Mrs. Burkett left for Kauai on the steamer W. G. Hall last night, where Mr. Burkett will be busy until the first of the year inspecting the schools of that island. Following his work there he will return to Honolulu and until spring will devote his time to the schools on this island.

While away Mr. Burkett was as far east as Chicago. He says that wherever he went he found a strong sentiment in favor of the re-election of McKinley, but he did not expect such a large majority for the republican ticket as was given. In Nebraska, where Mr. and Mrs. Burkett spent most of their time, the contest was very warm and the republicans were hopeful of carrying the state, yet Mr. Burkett believes that the result will be ahead of their most sanguine expectations. He believes that the country will continue to enjoy unbounded prosperity under the administration of President McKinley.

The Territory's Book Deal.

Attorney General Dole rendered an opinion Monday, holding that a contract for school books between the board of education and Mr. Gunn of the American Book Company would not be binding on the board's official successor. According to the attorney general's opinion, the board must remain in the book business.

A Village Blacksmith Saved His Little Son's Life.

Mr. H. H. Black, the well known village blacksmith at Grahamsville, Sullivan county, N. Y., says: "Our little son, 5 years old, has always been subject to croup, and so had have the attacks been that we have feared many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled." There is no danger in giving this remedy for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale by Benson, Smith & Co., general agents, Territory of Hawaii.

IT ALARMS SPAIN.

Non-Arrival of Delegates to Spanish-American Congress.

MADRID, Nov. 10.—Many of the delegates to the Spanish-American Congress have not yet arrived here. Cuba and Porto Rico are not represented officially, although private corporations have sent delegates. The non-arrival of many of the delegates has inspired fear that the congress will be a "fizzle." The Liberal sounds a note of alarm and urges the congress to work earnestly to secure the unity of all the Latin people of America, adding: "For if the labors of the congress are abortive the result will be to the advantage of the United States."
